**Update on: Onalethata Mathibidi**

Menighedsrådet Tibirke Kirke,

Onalethata

It is an honour to join Onalethata in sending regards to you and your loved ones. This is how he has been doing in 2017.

Onalethata is a friendly young boy. He likes hanging around with boys of his age, being Kenneth and Oduetse. He likes listening to Justin Bieber songs most of the time some children in the village like to call him Justin. Onalethata is a good dancer because he likes competing with other children in the village and they will be cheering him on, shouting 'Justin, Justin!' He always wins the dance battle when competing with other children in the village. Onalethata also likes playing football with other children in the village and he plays the position of the middle fielder.

When Onalethata is not playing or watching soccer, he likes helping Mother Kgalalelo around the house with some cooking or washing of clothes. He also likes going to church.

Onalethata and his SOS siblings

Onalethata has grown into a responsible young man who gets along with other children in the village. He is a kind young man who treats other people with respect. He never underestimates other children. Onalethata when he is sent to call his mother or someone in the village he will go running and makes sure that he returns the answer. When he realises that he has done his siblings wrong he will apologise quickly and when they have wronged him he expect an apology too because his SOS mother taught him that fighting is not a way of solving problems.

Onalethata aspires to be a Rhythm and blues disc jockey. He also wants to own his own studio. Mother Kgalalelo is always encouraging him to work hard; she always tells him that he can be anything he puts his mind to.

Onalethata is all grown up now. He has been visiting his relatives during the holidays and will soon be re-united with them as well as his older siblings. He is so looking forward to joining his relatives. I would like to take this time to thank you for your generous support towards Onalethata.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Parthenope'.
